

CFIT & Wings, Etc., Etc., Etc.

FAASTeam Lead Rep Bill Castlen declares CFITs are the result of either not seeing the terrain or not having the performance to avoid the terrain. Thus, he believes CFIT avoidance starts with preflight preparation that should begin days in advance of the flight and should include Wings participation.

Directions: Drive southbound on Highway 231 from Florida Welcome Center 8 miles. Turn left on County Road 162/Jacob Road and travel 9.5 miles, then turn right on County Road 167/Old US Road and travel 4.2 miles. Then right on FL-166/Caverns Road. Citizens Lodge will be about 4 miles on the left. Watch for the "FAA Safety Meeting" signs.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
